

FasTrak 14-Day **NLP Master Practitioner®** **Certification Training**

The Neuro Linguistic Programming (NLP) Master Practitioner Training is presented by Natasha Skibola, Certified Trainer of NLP, Time Line Therapy®, Hypnosis and NLP Coaching

FasTrak 14-Day NLP Master Practitioner Training

Neuro-Linguistic Programming (NLP) is one of the most advanced technologies for creating human change both in individuals and groups in Business, Education, On-Going Coaching and Therapy.

NLP is an art and a science. At the Practitioner level training you learned the science of NLP; at the Master Practitioner level you learn the art of NLP. Once again utilizing the technologies of NLP, Time Line Therapy®, and Hypnosis, these skills move to the next level as you learn, gain mastery and integrate a whole new set of powerful techniques. Add to this a thorough understanding of Values and you achieve mastery in coaching your clients to create the changes they seek.

Dr. Tad James is the creator of the FasTrak NLP training format, the creator of Time Line Therapy®, and the author of 7 books in the field. We use Dr. James model for highly effective learning and you achieve Master level certification in just 14 days.

When you successfully complete this training you will receive four certifications:

1. NLP Master Practitioner
2. Time Line Therapy® Master Practitioner
3. Master Hypnotherapist
4. NLP Master Coach
